Tanzschein

Steh' vor dem Club (Ey), bin schon gespannt	I'm standing by the club (Ay), I'm already excited
Sag, hast du Lust auf einen Tanz? Wir treten ein, mh, auf der Suche nach Ekstase Doch hinterm Neonlichterschein liegt eine Tier-Oase Und der Löwe versucht's bei einer Gazelle Der Hunger macht ihn böse und er rückt ihr auf die Pelle Im Gehege geht er durch wie eine Säge Ist bekanntlich nicht romantisch, er steht nicht aufs Gerede	Tell me, do you wanna dance? We enter, mm, in search of ecstasy But behind the neon lights there's an animal oasis And the lion tries it on a gazelle Hunger makes him angry, and he gets on her nerves He cuts through the enclosure like a saw He's known as non-romantic, and he also doesn't like the talk
Ey, ey, das kann doch gar nicht wahr sein Die machen sich zum Affen und Tänzer seh' ich gar kein'n Ey, ey, ich hätt eine Idee, ein Konzept Ja, das wär einfach perfekt	Ay, ay, that can't be true They act like monkeys, and I don't see any dancers Ay, ay, I have an idea, a concept Yeah, that'd be just perfect
Sie brauchen einen Tanzschein, da muss ich streng sein Weil ohne Tanzschein, lass ich Sie nicht rein	You need a dance license, I have to be strict about that 'Cause without a dance license, I won't let you in
Hab'n Sie einen Tanzschein? Das soll kein Witz sein Weil ohne Tanzschein, da komm'n Sie nicht rein	Do you have a dance license? This isn't a joke 'Cause without a dance license, you can't come in
Ich schließ die Augen, dann bin ich Clubbesitzer Und auf der schwarzen Liste steh'n die Steroidenspritzer Und auch wenn sie nur bell'n und eigentlich gar nicht beißen Das ist hier die Regel, Hunde müssen draußen bleiben	I close my eyes, then I'm a club owner And the steroid injectiors are blacklisted And even if they just bark and don't actually bite There's a rule that says that dogs must stay outside
Ey, ey, so kann es jeden Tag sein Wir tanzen durch die Nacht und Löwen seh' ich gar kein'n Ey, ey, draußen macht sich wer zum Affen Doch der Türsteher sagt mit einem Lachen	Ay, ay, this can be like that every day We're dancing through the night and I don't see any lions Ay, ay, someone's acting like a monkey But the bouncer says with a laugh
Sie brauchen einen Tanzschein, da muss ich streng sein Weil ohne Tanzschein, lass ich Sie nicht rein	You need a dance license, I have to be strict about that 'Cause without a dance license, I won't let you in
Hab'n Sie einen Tanzschein? Das soll kein Witz sein Weil ohne Tanzschein, da komm'n Sie nicht rein	Do you have a dance license? This isn't a joke 'Cause without a dance license, you can't come in
Der Gorilla in der Ecke träumt von seiner Pirouette Er scheut sich vor den Blicken, die die Artgenossen schicken Ich nehm ihn an der Hand, ja, bildet einen Gang Wir schau'n uns in die Augen und jetzt fang'n wir an	The gorilla in the corner is dreaming of his pirouette He shies away from the looks that his kinsmen send I'll take him by the hand, yes, let's have a walk We'll look into each other's eyes and now let's get it started
Ey, ey, ey, ey, du kannst mir vertrau'n Ey, ey, ey, ey, hier ist alles erlaubt Oh, oh-oh, oh Wir hab'n uns doch lang genug versteckt	Ay, ay, ay, ay, you can trust me Ay, ay, ay, ay, everything's allowed here Oh, oh-oh, oh We've been hiding long enough
Und alle wollen einen Tanzschein, sie wollen wie wir sein Doch ohne Tanzschein werden sie Tiere bleiben	And everyone wants a dance license, they want to be like us But without a dance license, they'll remain animals
Hab'n Sie einen Tanzschein? Das soll kein Witz sein Weil ohne Tanzschein, da komm'n Sie nicht rein	Do you have a dance license? This isn't a joke 'Cause without a dance license, you can't come in

Regarde !

Quand tout s'illumine dans tout Paris Que les rues se vident, je reste ici	When everything lights up all across Paris And the streets fall silent, I stay here
J'ai cherché ton amour Dans tous les faubourgs Je chante tous les jours	I searched for your love In every neighborhood I sing every day
Regarde-moi, regarde-toi C'est ça l'amour, ça te foudroie Regarde-moi, regarde-toi C'est ça l'amour, tu ne seras jamais perdu	Look at me, look at yourself That's what love is, it strikes you like lightning Look at me, look at yourself That’s what love is, you will never be lost
Allez, viens, je peux t'emmener Là où c'est fort, fort de s'aimer Allez, viens, tu n'es pas fou Dans ma poitrine, tu rythmes mon pouls Allez, viens, sous la pluie battante Je dirai aux gens qu'il est présent Je dirai aux femmes, aux hommes, aux enfants Je dirais au monde, dans chaque chanson	Come on, I can take you To a place where love burns strong, so strong Come on, you're not crazy In my chest, you set the rhythm of my pulse Come on, under the pouring rain I'll tell people that it’s real I'll tell the women, the men, the children I'll tell the world, in every song
J'ai cherché ton amour Dans tous les faubourgs Je chante tous les jours	I searched for your love In every neighborhood I sing every day
Regarde-moi, regarde-toi C'est ça l'amour, ça te foudroie Regarde-moi, regarde-toi C'est ça l'amour, tu ne seras jamais perdu	Look at me, look at yourself That's what love is, it strikes you like lightning Look at me, look at yourself That's what love is, you will never be lost
C'est ça l'amour, chut Il est partout, chut Il est là, là, là	That's what love is, hush It's everywhere, hush It is there, there, there
Regarde-moi, regarde-toi C'est ça l'amour, ça te foudroie Regarde-moi	Look at me, look at yourself That's what love is, it strikes you like lightning Look at me

Fire

Stop denyin', -nyin', no lyin', lyin' no more

Boy, I'm out of your league
Nonsense what you've been doin' to me
Just know that I could take my revenge
I could go out with all of your friends

I can fake it 'til I make it, but I won't (Fake it 'til I make it, but I won't)
If you crave it, you can take it, but you don't (Crave it, you can take it, but you don't)
I don't want it, I don't need it, and I won't let you repeat it
You just play it 'til you break it and it's blown

I'm on fire, fire, you're a liar, liar
Stop denyin', -nyin', no lyin', lyin' no more
Like a vampire, you hide, then come out the night
Stop denyin', -nyin', no lyin', lyin' no more

I'm on fire, fire
Stop denyin', -nyin', no lyin', lyin' no more

Just wait a minute, you're gonna see
That you won't find another like me
You'll come around and I'll be to late
'Cause I won't do the same old mistake

I can fake it 'til I make it, but I won't (Fake it 'til I make it, but I won't)
If you crave it, you can take it, but you don't (Crave it, you can take it, but you don't)
I don't want it, I don't need it, and I won't let you repeat it
You just play it 'til you break it and it's blown

I'm on fire, fire, you're a liar, liar
Stop denyin', -nyin', no lyin', lyin' no more
Like a vampire, you hide, then come out the night
Stop denyin', -nyin', no lyin', lyin' no more

I'm on fire, fire
Stop denyin', -nyin', no lyin', lyin' no more
Like a vampire, you hide, then come out the night
Stop denyin', -nyin', no lyin', lyin' no more

I'm on fire

I'm on fire, fire, you're a liar, liar
Stop denyin', -nyin', no lyin', lyin' no more
Like a vampire, you hide, then come out the night
Stop denyin', -nyin', no lyin', lyin' no more

I'm on fire
I'm on fire
Like a vampire, you hide, then come out the night
Stop denyin', -nyin', no lyin', lyin' no more

Per sempre sì

È cominciato tutto quanto dal principio Io che per te ero solo un uomo sconosciuto Poi diventato un re dal cuore innamorato Tu una regina, ora vestita in bianco sposa Abbiamo sognato figli in una grande casa E superato tutte le difficoltà Perché un amore non è amore per la vita Se non ha affrontato la più ripida salita	It all started right from the beginning I, who was just an unknown man to you Then became a king with a heart in love You a queen, now dressed in white as a bride We dreamed of children in a big house And overcame all the difficulties Because a love isn't a love for life If it hasn't faced the steepest climb
E si accenderà la musica e qui ti aspetterò	And the music will start playing and I will wait for you here
Il più grande giorno ti regalerò	I will give you the greatest day
Saremo io e te per sempre Legati per la vita che Senza te non vale niente Non ha senso vivere Con la mano sul petto Io te lo prometto davanti a Dio Saremo io e te da qui Sarà per sempre "sì"	It will be you and me forever Tied for this life that Without you is worth nothing Makes no sense to live With my hand on my chest I promise you before God It will be you and me From here on, it will forever be "Yes"
So bene che è una grande incognita il futuro Ma insieme a te non mi spaventerà perché	I know well that the future is a great unknown But together with you, it won't scare me because
Costruiremo tutto, ma non alzeremo un muro	We will build everything, but we won't raise a wall
Litigare e far l'amore e poi che male c'è?	Fighting and making love, and then what's wrong with that?
E si accenderà la musica, per te io canterò	And the music will start playing, I will sing for you
Il più grande giorno ti regalerò	I will give you the greatest day
Saremo io e te per sempre Legati per la vita che Senza te non vale niente Non ha senso vivere Con la mano sul petto Io te lo prometto davanti a Dio Saremo io e te da qui Sarà per sempre "sì"	It will be you and me forever Tied for this life that Without you is worth nothing Makes no sense to live With my hand on my chest I promise you before God It will be you and me From here on, it will forever be "Yes"
Soltanto "sì" Per questi giorni e mille altri ancora Un semplice "sì" L'eternità è dentro una parola	Only "Yes" For these days and a thousand more A simple "Yes" Eternity is inside one word
Saremo io e te per sempre Legati per la vita che Senza te non vale niente Non ha senso vivere Con la mano sul petto Io te lo prometto davanti a Dio Saremo io e te accussí Sarrà pe sempe "sì"	It will be you and me forever Tied for this life that Without you is worth nothing Makes no sense to live With my hand on my chest I promise you before God It will be you and me And so it will forever be "Yes"

Eins, Zwei, Drei

So sick of doing the whole 9 to 5
I pay my dues, I'm just stayin' alive
And I'm so bored of it, bored of it
Oh, what's the point of it, point of it? (Oh, ja, ja, ja)
A paracetamol to quench the pain
The office cubicle has trapped me again
Am I a mouse in a cage, am I
D-d-d-demotivational?

Ah, if only there was a language that I could count in
That would make me feel better (Oh, ja)

Eins, zwei, drei
Darlin', I need something salty
Eins, zwei, drei
With a slice of pepperoni
I'll pay, you can owe me
That'll be a pony
Eins, zwei, drei
I'm comin' back to life
Eins, zwei, drei
Got me feeling okey-dokey
Eins, zwei, drei
Goodbye drudgery, hello me
So light you can throw me
Kill at karaoke
Eins, zwei, drei
I'm coming back to life

Countin' in English doesn't cut the mustard
So sick of munching roly-poly with custard
I'm so bored with it, bored with it
Oh, what's the point of it, point of it? (Oh, ja, ja, ja)
I've always been a fan of aviation
I'm jumpin' on a plane to another nation
And all my pounds, they feel counterfeit
I need some euros to counter it

Eins, zwei, drei
Darlin', I need something salty
Eins, zwei, drei
With a slice of pepperoni
I'll pay, you can owe me
That'll be a pony
Eins, zwei, drei
I'm comin' back to life
Eins, zwei, drei
Got me feeling okey-dokey
Eins, zwei, drei
Goodbye drudgery, hello me
So light you can throw me
Kill at karaoke
Eins, zwei, drei
I'm comin' back to life

Eins
