When is Eurovision?

The Second Semi-Final will take place on May 14.

Before that:

- May 12 — First Semi-Final

After that:

- May 16 — Final

Who qualifies for the final?

This year, 35 countries are taking part. Five of them automatically qualify for the final:

- members of the Big Five: the United Kingdom, Germany, Italy, France and Spain (Spain is part of the Big Five, but is not participating this year)
- last year's winning country: Austria

We will see performances by these countries in the semi-finals, but since their place in the final is guaranteed, it will not be possible to vote for them.

The remaining 30 participating countries are split evenly between the two semi-finals. 10 of them will qualify for the final from each semi-final.

How does the voting work?

Voting at Eurovision consists of two parts:

- televote
- jury vote

Viewers in each participating country vote for the songs they like. The 10 most popular songs receive points on this scale:

1 2 3 4 5 6 7 **8 10 12**

The jury from each country gives votes using the same principle.

Then the televote points and jury points are added together.

The country with the most points wins.

Countries cannot vote for themselves.

In addition, viewers from countries that are not participating in the contest can also vote. Their votes are combined into one separate "country" called "Rest of the World".

What is the Big Five?

The Big Five are the United Kingdom, Germany, Italy, France and Spain. Because these countries make the largest financial contribution to the European Broadcasting Union, which helps fund the production of the show, they automatically qualify for the final.

How do countries choose their songs?

There are two main ways to choose a song:

- National selection, where a contest is held in the country and the winner becomes the country's representative
- Internal selection, where representatives of the national broadcaster / TV channel or a professional jury choose which entry to send as the country's representative

Just Go

🌐 English Azerbaijani

🎵 Pop Ballad

Just Go

I carried your love
Inside my heart each day
You said our fire
Would never fade away
Your name was my dream at night
Your name when I saw the light
Oh, I was yours all the way

But now I see through your disguise
The truth is burning in my eyes

Go, I don't love you anymore
Go, without you I'll shine
You know, I'll erase you from my soul
Go, I don't want to see your face
Go, no more tears will ever flow
I'm begging you, just go

You said we'd be forever side by side
You said our love would never die
But you fooled me once again
You played your little game
You burned the faith I had inside

Now every word feels like a lie
I'm done, I'm saying goodbye

Go, I don't love you anymore
Go, without you I'll shine
You know, I'll erase you from my soul
Go, I don't want to see your face
Go, no more tears will ever flow
I'm begging you, just go

Məni tərk et yorulduğum yalanından
Məni tərk et bezmişəm bu oyundan
Məni tərk et qurtulum bu alovdan
Məni tərk et çıx mənim dünyamdan

Phantom, you feel like a phantom
Why do you wanna tame me?
It's hard to breathe in
Do you feel me?

Do what I say
And don't you ever betray me
You are here to obey me
Are you not?

All I need is your love
I want it to choke me, choke me, choke me
Born for you to control, I want you to choke me
Ch-ch-ch-choke me, ch-ch-ch-choke me
Love me, make my lungs explode
All I need is your love, I want it to choke me
Ch-ch-ch-choke me, ch-ch-ch-choke me

Choke me
Choke me
Choke me

Save me
Inside I'm blazing
I want you to calm me, calm me, calm me
Calm, my body is begging

Do what I say
And don't you ever betray me
You are here to obey me
Are you not?

All I need is your love
I want it to choke me, choke me, choke me
Born for you to control, I want you to choke me

Fans have noted the influence of singer Aurora and Birdy's song "Keeping Your Head Up" on the song.

Among the song's co-writers is Thomas Stengaard, a co-writer of "Only Teardrops," the song with which Denmark won Eurovision in 2013.

Kill J, who has previously written many other Eurovision songs, is a co-writer on this year's entries for the United Kingdom, Luxembourg, and San Marino.

Mother Nature

From the start
When all was fun and games
Wasn't hard
But all good things can end
Back when I was younger
I planted a seed under the moonlight
And even when there's thunder
I go back when I wonder, "Who am I?"

From the ground to my skin
As I'm howling at the wind
Dig my roots in the mud
And I lean my head back
Let it out, let it in
Letting go of all my sins
Dig my roots in the mud
And I lean my head back

Mother Nature, she knows
Mother Nature, she knows
I know that
Mother Nature, she knows
Mother Nature, she knows
Mother Nature, she knows

See the leaves
How they grow back again
And I heal
Then learn to love myself again
Even when there's thunder
Oh, I don't have to wonder, "Who am I?"

From the ground to my skin
As I'm howling at the wind
Dig my roots, in the mud
And I lean my head back
Let it out, let it in
Letting go off all my sins
Dig my roots in the mud
And I lean my head back

Mother Nature, she knows
Mother Nature, she knows
I know that
Mother Nature, she knows
Mother Nature, she knows

Oh, oh, oh...
(Mother Nature, she knows)
Mhm, Mother Nature, she knows

Crossroads

Crossroads

Follow a voice unknown
Learn how to swim in open waters on your own
A jar hollow won't reach the ocean floor
Where foreign fields and tangled strings unfold

Mother, I'll get lost without a map
There's too many ways
Inside this vicious spider web
Crossroads, patterns and exceptions interwoven

I'm amazed how well we get unwell
Then trade our pain for metal frame
Oh, I gotta find what's out there

Mother, I'll get lost without a map
There's too many ways
Inside this vicious spider web
Crossroads, patterns and exceptions interwoven

We are creatures wired well for this space
We're the human race
Oh, we try our best to operate on pure love and rage
Ungrateful child in a golden cage
For Mother Earth, man cannot change

Oh, crossroads

Yeah, yeah

Regarde !

🗣️ French

🎵 Orchestral Pop

Classical Crossover

Yes, in French, a space is placed before an exclamation mark.

A distinctive feature of the song is its combination of operatic and pop vocals.

Regarde !

Quand tout s'illumine dans tout Paris
Que les rues se vident, je reste ici

J'ai cherché ton amour
Dans tous les faubourgs
Je chante tous les jours

Regarde-moi, regarde-toi
C'est ça l'amour, ça te foudroie

Regarde-moi, regarde-toi
C'est ça l'amour, tu ne seras jamais perdu

Allez, viens, je peux t'emmener
Là où c'est fort, fort de s'aimer
Allez, viens, tu n'es pas fou
Dans ma poitrine, tu rythmes mon pouls
Allez, viens, sous la pluie battante
Je dirai aux gens qu'il est présent
Je dirai aux femmes, aux hommes, aux enfants
Je dirais au monde, dans chaque chanson

J'ai cherché ton amour
Dans tous les faubourgs
Je chante tous les jours

Regarde-moi, regarde-toi
C'est ça l'amour, ça te foudroie

Regarde-moi, regarde-toi
C'est ça l'amour, tu ne seras jamais perdu

C'est ça l'amour, chut
Il est partout, chut
Il est là, là, là

Regarde-moi, regarde-toi
C'est ça l'amour, ça te foudroie

Regarde-moi

Look!

When everything lights up all across Paris
And the streets fall silent, I stay here

I searched for your love
In every neighborhood
I sing every day

Look at me, look at yourself
That's what love is, it strikes you like lightning

Look at me, look at yourself
That's what love is, you will never be lost

Come on, I can take you
To a place where love burns strong, so strong
Come on, you're not crazy
In my chest, you set the rhythm of my pulse
Come on, under the pouring rain
I'll tell people that it's real
I'll tell the women, the men, the children

I'll tell the world, in every song

I searched for your love
In every neighborhood
I sing every day

Look at me, look at yourself
That's what love is, it strikes you like lightning

Look at me, look at yourself
That's what love is, you will never be lost

That's what love is, hush
It's everywhere, hush
It is there, there, there

Look at me, look at yourself
That's what love is, it strikes you like lightning

Look at me

One last round of kissing the ground
And then I'll be gone for good

Away from all the anger

'Cause I don't wanna talk about numbers all day long

In a rage, as a cage with a badge, oh no

I'm done for sure, yeah (Put on a smile and go on)
I'm not a robot just playing the part
And I'm losing my heart I'm falling apart
So watch me go steal the show

Alice

Your pretty green eyes are magic
My precious prize, I've studied your ways
The way you behave
Can I spill my secrets to you?

Alice

Let me inside, I promise
I'll be polite, no, I won't make mess
Why you looking so stressed?
Just let me talk to you

I've been watching you

I know you really, really love me, don't lie
Know you gotta, gotta give it some time
So honey, don't cry
Honey, don't cry

Alice

Don't you be scared, be honest
I live in your head, oh, I'm lonely too
This world's been so cruel
I've been here waiting for you

Alice

Stop knocking on that door, don't panic
Lay low on the floor, you're safe in my arms
No, I'd never harm a hair on your head because

I'm in love with you

I know you really, really love me, don't lie
Only gotta, gotta give it some time
So honey, don't cry
Honey, don't cry

Only gotta, gotta give it some time

Doch hinterm Neonlichterschein liegt eine Tier-Oase
Und der Löwe versucht's bei einer Gazelle
Der Hunger macht ihn böse und er rückt ihr auf die Pelle
Im Gehege geht er durch wie eine Säge
Ist bekanntlich nicht romantisch, er steht nicht aufs
Gerede

Ey, ey, das kann doch gar nicht wahr sein
Die machen sich zum Affen und Tänzer seh' ich gar
kein'n
Ey, ey, ich hätt eine Idee, ein Konzept
Ja, das wär einfach perfekt

Sie brauchen einen Tanzschein, da muss ich streng sein
Weil ohne Tanzschein, lass ich Sie nicht rein
Hab'n Sie einen Tanzschein? Das soll kein Witz sein
Weil ohne Tanzschein, da komm'n Sie nicht rein

Ich schließ die Augen, dann bin ich Clubbesitzer
Und auf der schwarzen Liste steh'n die Steroidenspritzer
Und auch wenn sie nur bell'n und eigentlich gar nicht
beißen
Das ist hier die Regel, Hunde müssen draußen bleiben

Ey, ey, so kann es jeden Tag sein
Wir tanzen durch die Nacht und Löwen seh' ich gar
kein'n
Ey, ey, draußen macht sich wer zum Affen
Doch der Türsteher sagt mit einem Lachen

Sie brauchen einen Tanzschein, da muss ich streng sein
Weil ohne Tanzschein, lass ich Sie nicht rein
Hab'n Sie einen Tanzschein? Das soll kein Witz sein
Weil ohne Tanzschein, da komm'n Sie nicht rein

Der Gorilla in der Ecke träumt von seiner Pirouette
Er scheut sich vor den Blicken, die die Artgenossen
schicken
Ich nehm ihn an der Hand, ja, bildet einen Gang
Wir schau'n uns in die Augen und jetzt fang'n wir an

Ey, ey, ey, ey, du kannst mir vertrau'n
Ey, ey, ey, ey, hier ist alles erlaubt
Oh, oh-oh, oh
Wir hab'n uns doch lang genug versteckt

Und alle wollen einen Tanzschein, sie wollen wie wir sein

Doch ohne Tanzschein werden sie Tiere bleiben
Hab'n Sie einen Tanzschein? Das soll kein Witz sein
Weil ohne Tanzschein, da komm'n Sie nicht rein

Dance License

I'm standing by the club (Ay), I'm already excited
Tell me, do you wanna dance?
We enter, mm, in search of ecstasy
But behind the neon lights there's an animal oasis
And the lion tries it on a gazelle
Hunger makes him angry, and he gets on her nerves
He cuts through the enclosure like a saw
He's known as non-romantic, and he also doesn't like the
talk

Ay, ay, that can't be true
They act like monkeys, and I don't see any dancers

Ay, ay, I have an idea, a concept
Yeah, that'd be just perfect

You need a dance license, I have to be strict about that
'Cause without a dance license, I won't let you in
Do you have a dance license? This isn't a joke
'Cause without a dance license, you can't come in

I close my eyes, then I'm a club owner
And the steroid injections are blacklisted
And even if they just bark and don't actually bite

There's a rule that says that dogs must stay outside

Ay, ay, this can be like that every day
We're dancing through the night and I don't see any
lions
Ay, ay, someone's acting like a monkey
But the bouncer says with a laugh

You need a dance license, I have to be strict about that
'Cause without a dance license, I won't let you in
Do you have a dance license? This isn't a joke
'Cause without a dance license, you can't come in

The gorilla in the corner is dreaming of his pirouette
He shies away from the looks that his kinsmen send

I'll take him by the hand, yes, let's have a walk
We'll look into each other's eyes and now let's get it
started

Ay, ay, ay, ay, you can trust me
Ay, ay, ay, ay, everything's allowed here
Oh, oh-oh, oh
We've been hiding long enough

And everyone wants a dance license, they want to be
like us

But without a dance license, they'll remain animals
Do you have a dance license? This isn't a joke
'Cause without a dance license, you can't come in

Ēnā

Tik daudz silta aukstiem ļaudīm dots
Bet pie tuviem atnāc iztukšots

Citu acīm skaisti izgleznots
Bet viens piliens pārvērš Tevi toņos melnbal-
tos

Un tā lēnām, lēnām kļūsti mēmāks
Lēni lēnām, lēnām paliec ēnā

Tu domā vēlāk, vēlāk nedaudz vēlāk
Un tā lēnām, lēnām paliec ēnā

Meitiņ klusē, veļu necilā
Šonakt tētis mājās nepārnāks
Rīt ar smaidu glāzi skandinās

Sliksim kopā šaubu atvarā

Un tā lēnām, lēnām kļūsti mēmāks
Lēni lēnām, lēnām paliec ēnā
Tu domā vēlāk, vēlāk nedaudz vēlāk
Un tā lēnām, lēnām paliec ēnā

In the shade

So much warmth is given to cold ones
Yet when you reach the close ones, you arrive
emptied
In others' eyes you're painted beautifully
But a single water drop can turn you black
and white

And so slowly, slowly you grow more silent
Slowly, slowly, slowly you fade into the shad-
ows
You think "Later, later, a little later"
And so slowly, slowly you fade into the shad-
ows

Daughter, keep quiet, don't stir the veils
Today father will not come home
Tomorrow with a smile the glasses will be
raised
Together we'll drown in the whirlpool of doubt

And so slowly, slowly you grow more silent
Slowly, slowly, slowly you fade into shadow
You think "Later, later, a little later"
And so slowly, slowly you fade into shadow

(Slowly, slowly)

Slowly, slowly you fade into shadow

Before We Go Home

Danish

Electropop

Før vi går hjem

Min krop den skrider
Ka' du høre den?
Jeg burde sig' nej
Sagd', det var sidste gang
Men du har mig
Ja, du har mig

Du er så syrlig
Du smelter på min tunge
Helt ustyrlig
Jeg' så freaking dum
Men du har mig
Åh-ja, du har mig

Kys mig, tag mit hjerte, knus det igen
Men please sig, den her aften aldrig vil ende

Vi la'r natten stå i flammer, og glemmer os selv

Holder om hinanden, til vi brænder ihjel
Glemmer at vi vågner, og fortryder igen
Før vi går, før vi går
Før vi går, før vi går hjem

Tror jeg forsvinder
I neonlys og røg
Natten binder
Mig til dine øjne
Sig du har mig
Du har mig, yeah

Kys mig, tag mit hjerte, knus det igen
Men please sig, den her aften aldrig vil ende

Vi la'r natten stå i flammer, og glemmer os selv

Holder om hinanden, til vi brænder ihjel
Glemmer at vi vågner, og fortryder igen
Før vi går, før vi går
Før vi går, før vi går hjem

Kys mig, tag mit hjerte, knus det igen (Knus det igen)
Men please sig, den her aften aldrig vil ende (Før vi går hjem)
Kys mig, tag mit hjerte, knus det igen
Hjertet ved, hva' det vil
Bar' lad det bestemme

Vi la'r natten stå i flammer, og glemmer os selv

Holder om hinanden, til vi brænder ihjel
Glemmer at vi vågner, og fortryder igen
Før vi går, før vi går
Før vi går, før vi går hjem

Før vi går, før vi går hjem

Before We Go Home

My body, it screams,
Can you hear it?
I should say no,
Said it was the last time
But you got me
Yeah, you got me

You are so sour,
You're melting on my tongue
Completely uncontrollable,
I'm so fucking dumb
But you got me
Oh, yeah, you got me

Kiss me, take my heart, break it again
But please tell me that this night will never end

We let the night stand in flames and forget ourselves

Holding onto each other until we burn to death
Forgetting that we wake up and regret it again
Before we go, before we go,
Before we go, before we go home

Think I'll disappear
In neon lights and smoke
The night binds
Me to your eyes
Say you have me
You have me, yeah

Kiss me, take my heart, break it again
But please tell me that this night will never end

We let the night stand in flames and forgetting ourselves

Holding onto each other until we burn to death
Forgetting that we wake up and regret it again
Before we go, before we go,
Before we go, before we go home

Kiss me, take my heart, break it again (Break it again)
But please tell me that this night will never end (Before we go home)
Kiss me, take my heart, break it again
The heart knows what it wants,
Just let it decide

We let the night stand in flames and forgetting ourselves

Holding onto each other until we burn to death
Forgetting that we wake up and regret it again
Before we go, before we go,
Before we go, before we go home

We let the night stand in flames and forgetting ourselves

Holding onto each other until we burn to death
Forgetting that we wake up and regret it again
Before we go, before we go,
Before we go, before we go home

Eclipse

Shadows in the moonlight
Dancing with the sun
Planets are aligning
To love as one
And it won't be long
Till the morning comes
In a sky full of stars
Though our lives were apart
We've only just begun

One touch, one kiss
All my life for a night like this
The world stops for us
Only love exists

When we eclipse
When we eclipse
When we eclipse (Oh-oh-oh-oh)
When we eclipse (Oh-oh, oh-oh)

Call it perfect timing
I call it divine
Gravity is pulling
Your heart to mine
And it won't be long
Till the morning comes
In a sky full of stars,
I am right where you are
Forever's just begun

One touch, one kiss
All my life for a night like this
The world stops for us
Only love exists

When we eclipse (Oh)
When we eclipse
When we eclipse (Oh-oh-oh-oh)
When we eclipse (Oh-oh, oh-oh)

Eins, Zwei, Drei

So sick of doing the whole 9 to 5
I pay my dues, I'm just stayin' alive
And I'm so bored of it, bored of it
Oh, what's the point of it, point of it? (Oh, ja, ja, ja)
A paracetamol to quench the pain
The office cubicle has trapped me again
Am I a mouse in a cage, am I
D-d-d-demotivational?

Ah, if only there was a language
That I could count in
That would make me feel better (Oh, ja)

Eins, zwei, drei
Darlin', I need something salty
Eins, zwei, drei
With a slice of pepperoni
I'll pay, you can owe me
That'll be a pony
Eins, zwei, drei
I'm comin' back to life
Eins, zwei, drei
Got me feeling okey-dokey
Eins, zwei, drei
Goodbye drudgery, hello me
So light you can throw me
Kill at karaoke
Eins, zwei, drei
I'm coming back to life

Countin' in English doesn't cut the mustard
So sick of munching roly-poly with custard
I'm so bored with it, bored with it
Oh, what's the point of it, point of it? (Oh, ja, ja, ja)
I've always been a fan of aviation
I'm jumpin' on a plane to another nation
And all my pounds, they feel counterfeit
I need some euros to counter it

Eins, zwei, drei
Darlin', I need something salty
Eins, zwei, drei
With a slice of pepperoni
I'll pay, you can owe me
That'll be a pony
Eins, zwei, drei
I'm comin' back to life
Eins, zwei, drei
Got me feeling okey-dokey

Goodbye drudgery, hello me
So light you can throw me

Zemra po dhemb
E lotin mezi po e mban
Ju tash po ikni
Do qani pak
Do harroheni
Për jetë ma t'mirë, e di

E ne na duket shohim hijet
Në korridor ecin me vrap
Dëgjojmë zërat
Hala n'oborr

E qeshun me t'madhe
Hap dritaren e
Askush nuk asht aty
Marr t'shtroj për t'fjet
N'divana e n'tokë
Baj za
Askush s'përgjigjet

Ta dish se nana po ju pret
E nana ju po ju përcjell
Nana në prag aty ngel në derë
Dy javë, dy vjet, iku kjo verë

Rri e kujtoj
Kët' vend që dikur s'pat qetësi
Rrëmujë e ngrohtë
Gjithë librat n'tokë
Shpejt u ba ftohtë, shkretinë e plotë

Ta dish se nana po ju pret
E nana ju po ju përcjell

Kur po vjen, moj nan?

Po mos u mërzit

Mother

Know that Mother waits for you
She waves you down the road
Still standing at the doorway
As two weeks, two years, this summer, too,
is gone

My heart is aching
I can barely hold the tears
Now you are leaving
You will cry a little
Then forget
For a better life, I know

We still see your shadows
Running down the hall,
And we hear your voices
Echo softly in the yard

A great big laugh I hear,
I open up the window
But no one's there.
I make the beds
On sofas and the floor,
I call your names,
No one answers.

Know that Mother waits for you
She waves you down the road
Still standing at the doorway
As two weeks, two years, this summer, too,
is gone

I sit remembering this place
Once it never slept in peace
Warm messy living,
Books on the floor
Suddenly it turned cold, a desert remains

Know that Mother waits for you
She waves you down the road
Still standing at the doorway
As two weeks, two years, this summer, too,
is gone

Know that Mother waits for you
She waves you down the road
Still standing at the doorway
As two weeks, two years, this summer, too,
is gone

Know that Mother waits for you
She waves you down the road
Still standing at the doorway
As two weeks, two years, this summer, too,
is gone

When are you coming my child?
This longing burns inside
But worry not,
Mother will be waiting for you
