When is Eurovision?

The First Semi-Final will take place on May 12.

After that:

- May 14 — Second Semi-Final
- May 16 — Final

Who qualifies for the final?

This year, 35 countries are taking part. Five of them automatically qualify for the final:

- members of the Big Five: the United Kingdom, Germany, Italy, France and Spain (Spain is part of the Big Five, but is not participating this year)
- last year's winning country: Austria

We will see performances by these countries in the semi-finals, but since their place in the final is guaranteed, it will not be possible to vote for them.

The remaining 30 participating countries are split evenly between the two semi-finals. 10 of them will qualify for the final from each semi-final.

How does the voting work?

Voting at Eurovision consists of two parts:

- televote
- jury vote

Viewers in each participating country vote for the songs they like. The 10 most popular songs receive points on this scale:

1 2 3 4 5 6 7 **8 10 12**

The jury from each country gives votes using the same principle.

Then the televote points and jury points are added together.

The country with the most points wins.

Countries cannot vote for themselves.

In addition, viewers from countries that are not participating in the contest can also vote. Their votes are combined into one separate "country" called "Rest of the World".

What is the Big Five?

The Big Five are the United Kingdom, Germany, Italy, France and Spain. Because these countries make the largest financial contribution to the European Broadcasting Union, which helps fund the production of the show, they automatically qualify for the final.

How do countries choose their songs?

There are two main ways to choose a song:

- National selection, where a contest is held in the country and the winner becomes the country's representative
- Internal selection, where representatives of the national broadcaster / TV channel or a professional jury choose which entry to send as the country's representative

I don't even want you (Want you)
No, you don't take up space
On any given Monday (Monday)
I'm forgetting how you taste
I killed the whole idea of you
Been dancing on your grave
'Cause I don't even want you
Then Friday screams your name

'Cause now you're in my head
My heart, my body parts
You're always coming back on the weekends
You're in every touch
And thought and every shot
No, I can't get you out of my system
(My system)

No, I can't get you out of my system

Hate the morning after
Hate the way you make me feel
I am a disaster
I just need to fix myself for real

'Cause now you're in my head
My heart, my body parts
You're always coming back on the weekends
You're in every touch
And thought and every shot
No, I can't get you out of my system
(My system)

No, I can't get you out of my system
No, I can't get you out of my system

If I deleted all the memories of you and me
And barricaded my walls
If I encrypted all my feelings for security
It wouldn't matter at all

'Cause now you're in my head
My heart, my body parts
You're always coming back on the weekends
You're in every touch
And thought and every shot

Andromeda

Croatian

Folk-pop

The performers use traditional Croatian tattoos known as sikanje. They were used to mark a child as Christian, so that they could not be kidnapped and converted to Islam.

In Turkey, the song and music video caused a scandal: the lyrics and visuals were seen as criticism of the Ottoman Empire and as a depiction of Croatian women being enslaved by Turks.

Andromeda

Dok pališ svijeću, pitaj svoju baku
Zašto je kćeri radala u strahu
Zašto su mnogi odabrali groblje
Nisu naše majke iznjedrile roblje

Mnoge su suze potekle kô rijeka
Zašto se piše povijest ispočetka?
Sinovi naši nisu podanici
Da l' vas noću bude iz kolijevke krici?

Uzmi me sebi, kraljice Zemljo
Tvoja je duša, njima sam tijelo

Vodi me do zvijezda, porušenih gnijezda
Tamo gdje uz krike isprate vojnike
Vodi me do zvijezda, daleko od pogleda

Sve urezane ožiljke do kosti
Ni jedna majka neće vam oprostiti'
Na stolu srama zlato sa đerdanâ
Dok peru ruke krvlju naših rana

As you light a candle, ask your grandmother
Why she gave birth to her daughters in fear
Why so many chose the grave
Our mothers did not give birth to slaves

So many tears have flowed like a river
Why is history written from scratch?
Our sons are not subjects
Are screams from the cradle waking you up at night?

Take me for yourself, Queen Earth
The soul is yours, to them I'm a body

Lead me to the stars, to the shattered nests
There where, amid screams they send off soldiers
Lead me to the stars, far from all eyes

All the scars carved down to the bone
No mother will forgive you
On the table of shame, the gold from necklaces
While they wash their hands in the blood of our wounds

Cante Alentejano Pop

The song is written in the traditional genre of Cante Alentejano, with its characteristic polyphonic vocals and almost no instrumental accompaniment.

Rosa

No silêncio do luar
Sopra o vento devagar
Traz o cheiro das roseiras
E o teu nome a sussurrar

Meu amor se hoje for
À noitinha ao meu jardim
Por lá encontrarei rosas
Fazem-me lembrar de ti

Não há pressa de onde eu sou
Não há preço p'ra esta calma
Se falhei paguei em dobro
Sobrou pouco ou quase nada
Só as rosas que plantei
Quando a gente era verdade
Sobrou pouco, eu não reguei
E o jardim virou saudade

Meu amor se hoje for
À noitinha ao meu jardim
Por lá encontrarei rosas
Fazem-me lembrar de ti

Fazem-me lembrar de ti
Com saudade do teu beijo
És a rosa mais bonita
Que brotou ao sul do Tejo
Fazem-me lembrar de ti
Com saudade do teu beijo
És a rosa mais bonita
Que brotou ao sul do Tejo

És a rosa mais bonita
Que brotou no Alentejo

Rose

In the silence of the moonlight
Blows the wind slowly
It brings the scent of the rose bushes
And your name in a whisper

My love if today I go
In the night to my garden
By there I'll find some roses
They remind me of you

There's no rush in where I'm from
There's no price for this patience
If I failed I paid it double
Not much left or almost nothing
Just the roses that I planted
When we were still true
Not much left, I didn't water them
And the garden turned into saudade

My love if today I go
In the night to my garden
By there I'll find some roses
They remind me of you

They remind me of you
The longing of your kisses
You're the prettiest rose
Whom sprouted in the south of Tejo
They remind me of you
The longing of your kisses
You're the prettiest rose
Whom sprouted in the south of Tejo

You're the prettiest rose
Whom sprouted in Alentejo

Per sempre sì

Forever Yes

🇮🇹 Italian 🇸🇲 Neapolitan

🎵 Disco funk

Canzone napoletana

This wedding song, in the style of 1980s Italian music, unexpectedly won the Sanremo Festival, one of the toughest Eurovision selections.

Per sempre sì

È cominciato tutto quanto dal principio
Io che per te ero solo un uomo sconosciuto
Poi diventato un re dal cuore innamorato
Tu una regina, ora vestita in bianco sposa
Abbiamo sognato figli in una grande casa
E superato tutte le difficoltà
Perché un amore non è amore per la vita
Se non ha affrontato la più ripida salita

E si accenderà la musica e qui ti aspetterò

Il più grande giorno ti regalerò

Saremo io e te per sempre
Legati per la vita che
Senza te non vale niente
Non ha senso vivere
Con la mano sul petto
Io te lo prometto davanti a Dio
Saremo io e te da qui
Sarà per sempre "sì"

So bene che è una grande incognita il futuro
Ma insieme a te non mi spaventerà perché
Costruiremo tutto, ma non alzeremo un muro
Litigare e far l'amore e poi che male c'è?

E si accenderà la musica, per te io canterò
Il più grande giorno ti regalerò

Saremo io e te per sempre
Legati per la vita che
Senza te non vale niente
Non ha senso vivere
Con la mano sul petto
Io te lo prometto davanti a Dio
Saremo io e te da qui
Sarà per sempre "sì"

Soltanto "sì"
Per questi giorni e mille altri ancora
Un semplice "sì"
L'eternità è dentro una parola

Saremo io e te per sempre
Legati per la vita che
Senza te non vale niente
Non ha senso vivere
Con la mano sul petto
Io te lo prometto davanti a Dio
Saremo io e te accusi
Sarà per sempre "sì"

Forever Yes

It all started right from the beginning
I, who was just an unknown man to you
Then became a king with a heart in love
You a queen, now dressed in white as a bride
We dreamed of children in a big house
And overcame all the difficulties
Because a love isn't a love for life
If it hasn't faced the steepest climb

And the music will start playing and I will wait for
you here
I will give you the greatest day

It will be you and me forever
Tied for this life that
Without you is worth nothing
Makes no sense to live
With my hand on my chest
I promise you before God
It will be you and me
From here on, it will forever be "Yes"

I know well that the future is a great unknown
But together with you, it won't scare me because
We will build everything, but we won't raise a wall
Fighting and making love, and then what's wrong
with that?

And the music will start playing, I will sing for you
I will give you the greatest day

It will be you and me forever
Tied for this life that
Without you is worth nothing
Makes no sense to live
With my hand on my chest
I promise you before God
It will be you and me
From here on, it will forever be "Yes"

Only "Yes"
For these days and a thousand more
A simple "Yes"
Eternity is inside one word

It will be you and me forever
Tied for this life that
Without you is worth nothing
Makes no sense to live
With my hand on my chest
I promise you before God
It will be you and me
And so it will forever be "Yes"

Flamethrower

It would be wiser to get away from here
How could I freeze the feelings?
You are, you are a flamethrower

That same night, smoke in the air
I'm looking for you in the crowd
You're talking to others, to your friends
You're pretending like you don't even know me
Kinda strange that you won't look me in the eye

When last night you couldn't keep your hands off me

You treat me badly, but it feels good

It would be wiser to get away from here
But I'm still playing with fire
How could I freeze the feelings?
When you're a flamethrower? Ooh
You set me on fire (Ahh, ahh)
But you're never fully mine
Oh you're so hot, yet cold as ice
You are, you are a flamethrower, flamethrower

For a couple of nights, I can't reach you
Can a person die of lust? (Yeah)
Every time we're skin to skin
You give me third-degree burns

Oh dear Lord, can I have one more absolution

For I have sinned yet again

It would be wiser to get away from here
But I'm still playing with fire
How could I freeze the feelings?
When you're a flamethrower? Ooh
You set me on fire (Ahh, ahh)
But you're never fully mine
Oh you're so hot, yet cold as ice
You are, you are a flamethrower, flamethrower

The music video, released on March 8, depicts women's domestic labor and liberation from it.

One of the song's co-writers is Boris Subotić, who also wrote Montenegro's song "Dobrodošli" last year.

Нова зора (Nova zora)

Ko je ovdje ko? Ma kraj je
Moj je jači hod (Jači hod), za dalje

Iz srca sad vadim olovo
Sve je gotovo, sve je gotovo

(Lijepe žene, jake kao stijene, žene)
(Lijepe žene, lijepe su zbog sebe)
Finally breathing and finding love inside

Kiša traje, kiša traje, nebo znak mi daje

Grmi sijeva, grmi sijeva, sudbina se mijenja

O-ou, o-o-ou, o-ou, o-ou
Iza gora, iza mora, rodila se nova zora

(Nova zora)

Ko si ti da mi pričaš, ko sam ja?
Da l' ću doć' ili poć'? Ja sam otišla
Sve što vodi do tebe, sam srušila
Iz tvojih otrova, se Sunce probija
I nova zora zasija

(Lijepe žene, jake kao stijene, žene)
(Lijepe žene, lijepe su zbog sebe)
Finally breathing and finding love inside

Kiša traje, kiša traje, nebo znak mi daje

Grmi sijeva, grmi sijeva, sudbina se mijenja

O-ou, o-o-ou, o-ou, o-ou
Iza gora, iza mora, rodila se nova zora

Nema okova, nema okova, nema
Kô od gromova rođena žena
Nema okova, nema okova, nema
Kô od gromova rođena žena

Kiša traje, kiša traje, nebo znak mi daje

Grmi sijeva, grmi sijeva, sudbina se mijenja

O-ou, o-o-ou, o-ou, o-ou
Iza gora, iza mora, rodila se nova zora

(Nova zora)

New dawn

Who is who here? Well, it's the end
My gait is stronger now (Stronger now), for I go further
Now I'm pulling out lead from my heart
It's over now, it's over now

(Beautiful women, strong as boulders, women)
(Beautiful women, beautiful for themselves)
Finally breathing and finding love inside

The rain goes on, the rain goes on, the sky is giving me a sign
It thunders and flashes, it thunders and flashes, destiny is changing
O-oh, o-o-oh, o-o-oh
Behind the mountains, behind the seas, a new dawn is born

(A new dawn)

Who do you think you are to tell me who I am?
Will I come or go? I have already left
Everything that leads to you, I have demolished
Despite your poisons, the Sun breaks through
And a new dawn shines

(Beautiful women, strong as boulders, women)
(Beautiful women, beautiful for themselves)
Finally breathing and finding love inside

The rain goes on, the rain goes on, the sky is giving me a sign
It thunders and flashes, it thunders and flashes, destiny is changing
O-oh, o-o-oh, o-o-oh
Behind the mountains, behind the seas, a new dawn is born

No more shackles, no more shackles, no
As if she was born from the thunders, a woman
No more shackles, no more shackles, no
As if she was born from the thunders, a woman

The rain goes on, the rain goes on, the sky is giving me a sign
It thunders and flashes, it thunders and flashes, destiny is changing

Too Epic to Be True

English

Pop-rock

This song was written by producer Sven Lõhmus who created the band. Besides that, he also created and wrote songs for the groups Suntribe (Estonia 2005) and Urban Symphony (Estonia 2009), and has also produced and written songs for singers Getter Jaani (Estonia 2011) and Laura Põldvere (Estonia 2017, together with Koit Toome).

Too Epic to Be True

Too epic to be true
But here I am with you
The spark between us wrote the plot for us
Too epic to be true

Maybe this could be heaven
Maybe I'm just a fool
Maybe we're closer than we think
And I've got a clear view

When I said I loved you, I meant it
It is not so hard to believe it

Too epic to be true
But here I am with you
The spark between us wrote the plot for us
Too epic to be true

Maybe I am so reckless
I don't play by the rules
Maybe we're closer than we think
And we've got a clear view

When I said I loved you, I meant it
It is not so hard to believe it

Too epic to be true
But here I am with you
The spark between us wrote the plot for us
Too epic to be true

My life was uncontrolled
Pure rebel rock and roll
Before you came to me like that

Too epic, too epic, too epic
Too epic, too epic, too epic

Too epic to be true
But here I am with you
The spark between us wrote the plot for us
Too epic to be true

Too epic, too epic, too epic, epic to be true
Too epic, too epic, too epic, epic to be true

Michelle, this is a toxic love, I'm in the darkness
How did you leave me in the shadows?
A star without fame,
A great madwoman
I rise and fall

Oh, Michelle
I no longer know what to do
You were my light
God, I beg you, wake me up
I plunged into the dark
Bring me back some hope
And my mademoiselle

So I dance, dance with the pain
You will see me laugh, laugh again
You're my pain, I was only a decoration
I screamed, screamed, screamed

Just know that I could take my revenge

I could go out with all of your friends

I can fake it 'til I make it, but I won't (Fake it 'til I make it, but I won't)

If you crave it, you can take it, but you don't (Crave it, you can take it, but you don't)

You just play it 'til you break it and it's blown

Just wait a minute, you're gonna see

The Belgian participant is chosen alternately by the Walloon broadcaster RTBF and the Flemish broadcaster VRT. Last year, the Flemish fan favourite Red Sebastian failed to qualify for the final. This year, it is Wallonia's turn.

According to some media reports, Belgium had initially selected singer Loïc Nottet, who represented Belgium in 2015 with "Rhythm Inside," but he later withdrew because of Israel's participation, so the choice had to be changed.

Dancing on the Ice

I got that summer on my skin
It burns, it lives, it burns within
That wheel is hot and I'm driving
Rain's a goner, but I'm sinking
I'm gonna burst, I'm gonna scream

I want love
But I'm not loyal
Call me queen
Though I'm not royal
Want to go
What if I'm all alone?

I keep dancing on the ice
Where everything dies
Frozen to the bone
I keep dancing on the ice
'Cause I feel alive
I'm satisfied

Keep dancing on the ice
Keep dancing on the ice

Got King Winter in my back
Gotta keep going on the track
Sunscreen that sticks on wet bodies
Ice cream melting on my blue jeans
Melting on my blue jeans

I want love
But I'm not loyal
Call me queen
Though I'm not royal
Want to go
What if I'm all alone?

I keep dancing on the ice
Where everything dies
Frozen to the bone
I keep dancing on the ice
'Cause I feel alive
I'm satisfied

Keep dancing on the ice
(Keep dancing, keep dancing on the ice)
Keep dancing on the ice
Hey, heh, hey
Woah

I want love
Keep dancing on the ice
Call me queen
(Keep dancing, keep dancing on the ice)
Want to go
Keep dancing on the ice
I want love (Hey)
Keep dancing on the ice (Hey)

Song

Sólo quiero más

I just want more

Lithuanian English Spanish

German French Italian

Art pop Classical Crossover

At the end of the song, Lion sings "I just want more" in five languages: Spanish, German, French, Italian, and Lithuanian.

In French, "Je veux juste plus" can mean both "I just want more" and "I just don't want more," depending on whether the "s" in "plus" is pronounced. In the studio recording, the singer pronounces the "s," but at Eurovision he corrected the mistake and stopped pronouncing it.

The song ends with Lion touching his hands together 2-3 times while forming an "O" shape with them; in International Sign, this means the word "more."

Sólo quiero más

Tai gąsdina, vaidenasi visur kur aš esu
Kas drįsta, tas klausia dėl ko aš gyvenu?
Tai nežeidžia manęs jau seniai
Tai nežeidžia manęs jau
Vis iš naujo sukuosi, rūke tiesios krantai

Sako į vidų žvelki ir rasi ko niekad neradai

Kai viskas griūna gyvenimą pamatau
Ir kuo toliau žiūriu
Aš tiesiog noriu daugiau

Sólo quiero más
Even if we're living in a mad world
Even if there're no more gods to pray for
(Sólo quiero, sólo quiero más)
Sólo quiero más
Even if we're living in a mad world
Even if we're standing as the sky falls
Sólo quiero
Sólo quiero más
Sólo quiero más

Dolor y alegría, así es la vida
Gal lengviau būtų su subtitrais?
Comme dans un vieux film la douleur
Crée la musique qui unit sans mots

Sólo quiero más
Even if we're living in a mad world
Even if there're no more gods to pray for
(Sólo quiero, sólo quiero más)
Sólo quiero más
Even if we're living in a mad world
Even if we're standing as the sky falls
(Sólo quiero)
(Sólo quiero más)
Sólo quiero más
(Even if we're living in a mad world)
Ich will einfach mehr
(Even if there're no more gods to pray for)
Je veux juste plus
(Even if we're living in a mad world)
Voglio solo di più
(Even if we're standing as the sky falls)
Aš tiesiog noriu daugiau

I just want more

It scares me, it plays everywhere I go
Whoever dares asks what I live for?
It hasn't hurt me for a long time
It doesn't hurt me anymore
I keep turning around, the fog is straight shores
They say look inside and you'll find something you've never found
When everything falls apart I see life
And the further I look
I just want more

I just want more
Even if we're living in a mad world
Even if there are no more gods to pray for
I just want more
I just want more
Even if we're living in a mad world
Even if we're standing as the sky falls
I just want
I just want more
I just want more

Pain and joy, that's life
Maybe lengviau būtų in his subtitles?
Like in an old movie the pain
Create music that unites without words

I just want more
Even if we're living in a mad world
Even if there're no more gods pray for
I just want I just want more
I just want more
Even if we're living in a mad world
Even if we're standing as the sky falls
I just want
I just want more
I just want more
(Even if we're living in a mad world)
I just want more
(Even if there're no more gods pray for)

Superstar

All the boys in the back
Wearing black
Lookin' like they're up to somethin'
All the girls on the floor
Lookin' for something more
Like it's all or nothing

Neon lights, smoky eyes
Drippin' diamonds, flashin' lights
There you are
Look at you, starin' at your shoes
Like you're scared or something

Oh baby, there you are
Go, go and get it like a superstar
Go, go and do it for your broken heart
'Cause baby, you're a superstar, superstar
Uh-huh, uh-huh
There you are
Go, go ahead and show them all your scars
Go, go and show exactly who you are
Let them know you're a superstar, superstar

Baby you're a gem, freaky queen
Four a.m. you're really something
And it's about time
You get out, show it off
What you're becoming
They took themselves on the floor
They've never seen perfection like this before
Baby, I know that
You've been to hell and back
But there is one thing

Oh baby, there you are
Go, go and get it like a superstar
Go, go and do it for your broken heart
'Cause baby, you're a superstar, superstar
Uh-huh, uh-huh
There you are
Go, go ahead and show them all your scars
Go, go and show exactly who you are
Let them know you're a superstar, superstar

Step down, take five, now I'm the boss

Take this style, take this class
Make the money when you run with me
They told me, "Go, shake that ass
Take that off, two steps back"
Why it always feel the same?

Someone come get me out of here, get me out of here
I guess I gotta fight 'til nobody can hurt you

Крај мене (Kraj mene)

🇷🇸 Serbian

🎵 Progressive metal

Крај мене (Kraj mene)

(Ja još ti čuvam mesto kraj sebe)
(A ova jednostrana ljubav ubija me)

Toliko trebalo je
Da potonem u naručje
Podle, stare navike
Srce si otvorila
Uzalud poklonila
Iz nemara da zgazim ga

Kako da ti pokažem da stalo mi je
Naravno, pre ili kasnije, srušiću sve

Ja još ti čuvam mesto kraj sebe
A ova jednostrana ljubav ubija me
Zar ne vidiš koliko lomim se
Što više dajem manje imam te

Zašto me gledaš s visine
Dok zovem u prazno
I odgovaraš glasom tišine
Da ipak je kasno
Ne mogu još dugo ovako
Da puzim i molim i klanjam se
Tu si bila kad bilo je lako
Dok mislila si da sam (Savršen)

Ja još ti čuvam mesto kraj sebe
A ova jednostrana ljubav ubija me
Zar ne vidiš koliko lomim se
Što više dajem manje želiš
Me

Ne želiš me

Još uvek sanjam da si kraj mene
A ova nemoguća ljubav ubija me
Zar ne vidiš koliko lomim se
Što više dajem manje želiš me

Next to Me

(I'm still saving a place for you beside me)
(And this one-sided love is killing me)

It took so little
For me to sink into the embrace
Of mean, old habits
You opened your heart
Gave it in vain
For me to carelessly trample it

How can I show you that I care
Of course, sooner or later, I'll tear everything down

I'm still saving a place for you beside me
And this one-sided love is killing me
Don't you see how much I'm breaking
The more I give, the less I have of you

Why do you look down on me
While I call into the void
And you answer with the voice of silence
That it's already too late
I can't go on like this much longer
Crawling and begging, bowing down
You were here when it was easy
When you thought I was (Perfect)

I'm still saving a place for you beside me
And this one-sided love is killing me
Don't you see how much I'm breaking
The more I give, the less you want
Me

You don't want me

I still dream that you're beside me
And this impossible love is killing me
Don't you see how much I'm breaking
The more I give, the less you want me
